THE LOOK OF LASTING LOVE AT BELMONT VILLAGE WESTWOOD
PHOTOGRAPHY EXHIBIT FEATURES PORTRAITS OF WISDOM, HUMOR AND ENDURANCE

Belmont Village Westwood is celebrating Valentine's Day this year with a special exhibit featuring the work of noted photographer Thomas Sanders. This stunning collection of couple portraits pays homage to love and commitment. The subjects are all residents of Belmont Village Westwood and collectively they represent 884 years of marital bliss. Join us to view these stunning images and learn firsthand the secret to the staying power of these 16 couples. In an age when the divorce rate in the US is somewhere between 40-50%, with marriages that end in divorce averaging only 7-8 years in length, we tip our hats and our glasses to these lovely and loving men and women. The event is open to the public but reservations are requested at 310-475-7501. A special slideshow of vintage images will be presented in the theater during the event.
