## INTRODUCING OUR NEWEST ADMIN TEAM MEMBERS!

Please welcome our new HR Team to Belmont! Daryl Salrin (pictured to the right below) is our new Human Resources Generalist. She will be overseeing all employee relations. Anais (pronounced Anis) Pichardo (pictured to the left below) is our new Human Resources Assistant. She will be in charge of scheduling our staff. Please make sure to give them a warm welcome when you see them in the halls! We are so happy to have them join our team!

## Team Member Spotlight

Congratulations are in order for Alona De Los Santos, our new Employee of the Month! Alona is part of our Nursing Team. She has been with Belmont Village for the past seven years! You can tell Alona has a unique relationship with each of the residents she works with. She is very compassionate and detail-oriented. One of the reasons we selected Alona to honor this month is because of her natural leadership when working alongside her team. She really seems to know how to take charge of any given situation and handle it with poise. She is cool and collected under pressure and knows how to manage her time well, especially considering all the

additional changes that have come into play since COVID-19. We appreciate all her hard work and dedication to this company! Alona is just one of the many pieces that help make this operation run as smoothly as it does! Thanks again for all you do, Alona, and congratulations once more!
