A PUBLICATION OF BELMONT VILLAGE FOR RESIDENTS, STAFF, FAMILY AND FRIENDS

AUGUST 2020

Clint Strickland, Executive Director

GREETINGS ...

Residents, friends and families!

As you all may know, a Belmont Village Lakeway staff member tested positive for COVID-19 last month. We are so fortunate and thankful that our building remains healthy and our residents are safe. Our staff members have been working diligently to maintain a healthy and safe environment for your loved ones and have been doing an amazing job... this is proof. Thank you so much for trusting us with your loved ones, as we continue to get through this difficult time together.

Brain Games

BRAIN BENDER: DORM DILEMMA

Anna, Bridget, Crystal, Danielle, Elyse, Faith, Gabby, Hallie and Jade are all beginning their senior year at college. They each have their own room in a three-story dorm. Each floor has three rooms: west, middle and east. Using the clues below, can you determine the floor and the room where each student lives?

1. Hallie does not live on the ground floor.

2. Faith lives directly above Jade and directly next to Bridget, who lives in a west room.

3. Elyse lives in an east room and one floor higher than Faith.

4. Danielle lives directly above Faith.

5. Gabby lives directly above Crystal.

(Answer: On the ground floor, Anna lives in the west room, Jade lives in the middle room, and Crystal lives in the east room. On the second floor, Bridget lives in the west room, Faith lives in the middle room, and Gabby lives in the east room. On the third floor, Hallie lives in the west room, Danielle lives in the middle room, and Elyse lives in the east room.)
