### Belmont Village CEO Meet and Greet in Calabasas

Patricia Will, founder and CEO of Belmont Village Senior Living, will host a “Conversation and Coffee” on Thursday, January 18.

Belmont Village Calabasas will open this spring at 24141 Ventura Blvd. The senior living community will offer both independent and assisted living, memory care and short-term stays.

Will had experience with Alzheimer’s on a personal level, as her mother-in-law had been diagnosed with the condition. In trying to find help for her she realized there wasn’t a place with the capabilities to effectively care for her.

She founded Belmont Village in 1997, and developed and expanded relationships in the medical community and schools of hospitality to merge the best of both worlds. Guided by leading university experts in the field of gerontology she and her partners spoke with seniors and their families. Because people change over time, they knew it would be important to be able to adapt programming and their environment. She took all that she had learned—all of these great ideas—and built a community around it.

Meet and greet Will at Calabasas Country Club, 4515 Park Entrada, between 2:30 and 4:30 pm. Coffee, tea and hors d’oeuvres will be served. RSVP to 222-2600. For more information on Belmont Village visit [belmontvillage.com/calabasas](http://belmontvillage.com/calabasas).

### Local Doctor Presents “Keep Your Heart Alive” Talk

Dr. Jerome Kornfeld, a local speaker and author with a long history of television and radio appearances, will present a talk on “Keeping Your Heart Alive and Well” on January 13.

He will be discussing the most recent information about the role of lifestyle in preventing and even reversing the number one killer of men and women. The talk will take place at the Platt Library, 23600 Victory Blvd.

Jerome Kornfeld, M.D., FAAFP, has practiced in the San Fernando Valley for over 40 years. He is a faculty member at the David Geffen School of Medicine at UCLA and author of *Your 100 Year Heart* available on Amazon.

He has appeared frequently on KTLA Morning News and KABC discussing heart health and other medical subjects and is a regular speaker for Vistage International. Kornfeld is a graduate of the UCLA School of Public Health and the School of Medicine at UC Irvine.
